

LET'S GET
RURAL

OCTOBER 19-27
MSIDA, MALTA

PARTICIPATING COUNTRIES

GOAL OF THE YE

to inspire, motivate and support youth with fewer opportunities to start businesses in rural areas so that they can be self-sufficient and self-reliant.

OBJECTIVES

- **introduce youth to the essentials of entrepreneurship in rural areas;**
- **inspire marginalized youth to create businesses by showing examples of successful businesses in rural areas;**
- **generate new business ideas that will work well in rural areas of participating countries and will include the local unemployed/underprivileged communities;**
- **create a spillover effect by inspiring other communities and partner countries to contribute to the established rural businesses or to create new businesses in rural areas themselves.**

The image features a green gradient background with decorative circuit-like lines in the corners. The text is centered and reads:

**NAME, COUNTRY AND
FAVOURITE ANIMAL**

The background is a solid green color with a subtle gradient. In the four corners, there are decorative white line-art patterns resembling circuit traces or neural network connections. These patterns consist of straight lines of varying lengths and angles, ending in small white circles.

THE ORIGINAL
LIME-UP!

Original

Skittles®

IT'S LIME!

The background is a dark green gradient. In the four corners, there are decorative white circuit-like lines with small circles at the ends, resembling a stylized PCB or network diagram.

Purple = family

Green = studies/job

Yellow = friends

Red = hobbies

Brown = music/movies

The image features a dark green background with a subtle gradient. In the four corners, there are decorative elements consisting of light green lines and small circles, resembling a circuit board or a network diagram. The text "RACE AGAINST NAME!" is centered in a bold, white, sans-serif font.

RACE AGAINST NAME!

The image features a green gradient background. In the center, the word "TREE" is written in a bold, white, sans-serif font. The corners of the image are decorated with white, stylized circuit board traces that branch out, resembling a tree structure. The top-left and bottom-left corners have more complex branching patterns, while the top-right and bottom-right corners have simpler, more linear traces.

FEARS

What fears do you have for this YE?

CONTRIBUTIONS

How could you contribute to this YE? What things you are good at and could share with everyone?

EXPECTATIONS

**What are your expectations for this YE?
Indicate at least 3 of them.**

1. What did I learn today?
2. What did I like the most today?
3. Suggestions, comments what could have been done better?
4. What emotions this day brought to you?
5. How would you rate this day?
(from 1 (bad) till 10 (amazing))

SPEED DATING

The image features a dark green background with a subtle gradient. In the four corners, there are decorative elements consisting of light green lines that resemble circuit traces or fiber optic paths, ending in small circles. These elements are positioned in the top-left, top-right, bottom-left, and bottom-right corners, framing the central text.

The image features a dark green background with a subtle gradient. In the four corners, there are decorative elements consisting of light green lines and small circles, resembling a circuit board or a network diagram. The text is centered and written in a clean, white, sans-serif font.

If you could have an
endless supply of any food,
what would you get?

What is one goal you'd
like to accomplish during
your lifetime?

The image features a dark green background with a subtle gradient. In the four corners, there are decorative elements consisting of light green lines and small circles, resembling a circuit board or a network diagram. The text is centered in a large, white, sans-serif font.

What's your favorite thing
to do in the summer?

The image features a dark green background with white, stylized circuit board traces in the corners. These traces consist of lines and small circles, resembling electronic components or connections. The text is centered in a large, white, sans-serif font.

If you were an ice
cream flavor, which
one would you be
and why?

The image features a dark green background with a subtle gradient. In the four corners, there are decorative elements consisting of light green lines that resemble circuit traces or a network diagram, with small circles at the end of the lines. The text is centered and written in a clean, white, sans-serif font.

If you could visit any
place in the world,
where would you
choose to go and why?

The background is a solid green color with a subtle gradient. In the four corners, there are decorative elements consisting of thin, light green lines that resemble circuit traces or a stylized tree structure, ending in small circles.

What's the ideal
dream job for you?

The image features a dark green background with a subtle gradient. In the four corners, there are decorative elements consisting of light green lines that resemble circuit traces or fiber optic paths, ending in small circles. These elements are positioned in the top-left, top-right, bottom-left, and bottom-right corners, framing the central text.

Are you a morning or
night person?

The image features a dark green background with white, stylized circuit board traces in the corners. These traces consist of lines connecting small circles, resembling nodes or components on a PCB. The traces are located in the top-left, top-right, bottom-left, and bottom-right corners, framing the central text.

If you had to
describe yourself
using three words,
it would be...

The image features a dark green background with a subtle gradient. In the four corners, there are decorative elements consisting of light green lines and small circles, resembling a circuit board or a network diagram. The text is centered and written in a clean, white, sans-serif font.

If you won a lottery
ticket and had a
million dollars, what
would you do with it?

The image features a dark green background with a subtle gradient. In the corners, there are decorative elements consisting of light green lines and small circles, resembling a circuit board or a network diagram. The text is centered and written in a clean, white, sans-serif font.

If you were stranded on an island, what are the 3 things that you would want to have with you?

The background is a solid green color. In the four corners, there are decorative circuit-like patterns consisting of thin white lines and small white circles, resembling a stylized PCB or neural network diagram.

You've been given access
to a time machine.

Where and when would
you travel to?

The image features a dark green background with a subtle gradient. In the four corners, there are decorative elements consisting of light green lines and small circles, resembling a circuit board or a network diagram. The text is centered and written in a clean, white, sans-serif font.

When you were little,
who was your favorite
super hero and why?

The background is a solid green color. In the four corners, there are decorative elements consisting of thin, light green lines that resemble circuit traces or a stylized tree structure. These lines connect to small white circles, creating a network-like pattern.

What's the weirdest
thing you've ever eaten?

The image features a dark green background with a subtle gradient. In the four corners, there are decorative elements consisting of light green lines and small circles, resembling a circuit board or a network diagram. The text is centered and written in a clean, white, sans-serif font.

If someone made a movie of your life would it be a drama, a comedy, a romantic-comedy, action film, or science fiction?

If I could be anybody
